ELECTRICITY

Mains electric shore-power is available to boats properly equipped for shore supply. Electric is available either by Metered leads (provided by the Marina for a refundable deposit) or by pre-paid meter cards (available from the Marina); depending on location. Boats found connected to shore supply without using a pre-paid card or a metered lead provided by the Marina will be disconnected without notice.

Refundable deposit on metered lead: £120.00 in advance (includes VAT at 20%)

Metered charge per Kwh unit variable to equal supply cost. Invoices for mains shore supply must be paid on receipt of invoice. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs. The current price per Kwh unit is displayed on the marina office Noticeboard; this charge may alter without notice if supply costs alter.

Important notice: Electric supply continuity cannot be guaranteed. Mains electricity is only available to boats with a properly equipped and protected ring-main installation. Electricity is supplied in accordance with OFGEM regulations.
