

PRESS RELEASE

AWARDS FOR UPTON MARINA AND STOURPORT MARINA

Tingdene Marinas Ltd is pleased to announce that both their marinas on the River Severn have achieved The Yacht Harbour Association Four Gold Anchor Award. Staff at Upton Marina and Stourport Marina are very proud of their achievements, showing that inland marinas compete equally well with marinas on the coast.

Upton Marina became the only marina ever to be scored 'ten out of ten' on the Gold Anchors mystery shopping element of the award, designed to gauge levels of customer service.

For Stourport Marina, this was the first time the Gold Anchors inspection process had been undertaken, so to achieve a score of four is a great achievement.

Julie Rawlings, Upton Marina's Manager and Mal Sargent, Manager at Stourport Marina commented: "Along with our staff we are very pleased that our efforts in providing excellent facilities and outstanding customer services have been recognised by the Gold Anchor Scheme".

As well as the whole navigable length of the River Severn, Upton and Stourport Marinas are well placed for cruising the River Avon, the Midlands canal network, and the Bristol Channel, leading to the open waters of the sea.

Berths are available for the coming season at Upton Marina and Stourport Marina. Please visit www.tingdene.net for details.

To find out more about the Gold Anchor Scheme, please visit www.which-marina.com.

Upton Marina

Stourport Marina

Tingdene Marinas own and operate seven inland marinas, on the Thames, Severn, Wey and Broads; with excellent facilities at every marina including new and used boat sales. Full details may be found at: www.tingdene.net
